RULES OF THE ROAD

- No one is allowed on the course without a properly issued race number.
- Help keep the course beautiful by not littering. Respect the property of others while spectating.
- No vehicles of any kind are allowed on the course. The course can be crossed only at designated intersections.
- Bikers should stay well off the course and watch for spectators as much as for runners.
- Spectators must stay clear of the course and off the roads to avoid interfering with the participants.
- Hold animals on a short leash. Keep them away from runners and be considerate of others.
- Always watch your children. There will be thousands of participants and spectators at the events.
- Lost and found will be located at the Visit Mankato Information Booth at Post Party.

HEADPHONE POLICY

Participants are allowed to use headphones and similar devices at this event but at their own risk. For the safety of all the participants, we strongly encourage a headphone-free environment at this race. Therefore, if you are wearing headphones or similar devices during the event, please turn them off or remove them when coming to an intersection that is monitored by police or course marshals.

POLICE OFFICERS

Officers will be located at all major intersections where traffic intersects the course. Please keep in mind this is not a closed course. You must still follow the rules of the road.

VOLUNTEERS

There are nearly 800 volunteers on marathon weekend. Most are not associated with the event except for one weekend a year, so understand that they may not have the answers to all your questions. However, in an emergency, do not hesitate to go to them for assistance as they should know how to get proper help quickly. Volunteers for the marathon can be identified in bright, green-colored shirts.

AFTER THE RACE

On Friday night you can enjoy our many great restaurants and be sure to check out restaurant pasta specials and other specials on the website at mankatomarathon.com or scan the QR code. →
